Attachment E – Signage

Communications with the Public

The Department will require that grant recipients acknowledge in any communication to the public that funding was provided from the CWIA/EPF Water Quality Improvement Project Grant and include the following:

- Source of Funding: CWIA/EPF Water Quality Improvement Project Grant administered by the New York State Department of Environmental Conservation (NYSDEC)
- Project Name and Project Sponsor

Signage Requirements

The Department will require project signs for projects meeting the following criteria:

- Wastewater Treatment Improvement projects
- Salt Storage Facilities projects
- Land Acquisition for Source Water Protection projects
- Nonpoint Source Abatement and Control and Aquatic Habitat Restoration grant awards totaling more than \$50,000.

All signs should be constructed in accordance with the specifications identified herein.

The Department may, in its discretion, waive this requirement if the sign cannot be reasonably maintained, the sign is not consistent with other laws, or the location of the sign would not provide a public purpose.

The project sign should be maintained from the start of construction until one year after closeout of the project.

The cost of the project sign is a reimbursable project cost and should be included in the materials category for the project budget.
