EXPIRATION DATE	

REGISTRATION FORM FOR A SOLID WASTE MANAGEMENT FACILITY

Please read attached instructions (found at the end of this document) before completing this application. This is not a UPA permit. Solid waste management facility operations are not authorized until a registration is validated by the Department. Attach all required information to this form, as described in the instructions.

1. REQUEST TYPE (check applicable box)			
<input type="checkbox"/> Initial (new facility)		<input type="checkbox"/> Renewal	
<input type="checkbox"/> Modification			
2. FACILITY INFORMATION			
Facility Name		Facility Address	
City/Town		Zip Code	Phone

Instructions for completion of a REGISTRATION FORM FOR A SOLID WASTE MANAGEMENT FACILITY

GENERAL

This registration form is prescribed by the New York State Department of Environmental Conservation (Department) for solid waste management facilities pursuant to the conditions specified in 6 NYCRR Part 360.15 and the under the requirements of 6 NYCRR Parts 360, 361, 362, 363, and 365. This form serves as notification to the Department of the intention to operate a registered solid waste management facility. The registration applicant and holder must be the site owner or facility operator. Please note: **this form must be submitted and validated by the Department before commencement of construction or operation of any facility or activity subject to the registration requirements.** This is not a Uniform Procedures Act (UPA) Permit. The owner or operator of the facility required to be registered must comply with the design, operating, closure, and financial assurance criteria detailed in the regulations. Please complete this form entirely, as well as any applicable addenda or attachments, **attaching additional sheets as necessary.**

Completed applications must be submitted to the Regional Materials Management Engineer in the Regional Office corresponding to the DEC region in which the facility is or is proposed to be located. As part of the application process, Department staff may inspect the proposed site. During such inspections, staff may take measurements, photographs, videos, and make written documentation.

CHECKLIST

Applications for solid waste management facility registration must include the items listed below:

- Completed registration application form
- Completed addenda to this form, if required (as noted in item 11)
- Site plan, which must include, but is not limited to:
 - storage for all waste materials (and for processed materials when required) declared as part of the registration application;
 - site grading and dimensions (arrows identifying slopes, contour lines, etc.) of all storage areas and piles;
 - storage and process tank details, if applicable;
 - location(s) of all processing equipment;
 - demonstration that there is adequate room for the safe, unobstructed movement of vehicles and equipment;
 - demonstration that the facility is not located within a floodplain or state regulated wetland, and that the facility follows all applicable buffer zones; and
 - location of all structures.
- List all exempt activities taking place at the site to of the registered solid waste management facility, as per 360.15(c)(1).
- Certificate Under Seal of the Department of State for applications submitted by a corporation or a limited liability company as required in 360.15(c)(3), if applicable.
- Any additional attachments as required in 6 NYCRR Parts 360, 361, 362, 363, and 365.

In addition to the items listed above, the Department may request the following additional items:

- Waste control plan, demonstrating compliance with the requirements of 6 NYCRR Section 360.19, including:
 - location(s) of signs indicating hours of operations and types of wastes accepted/not accepted;
 - procedures for pre-screening incoming materials and the inspection of incoming loads;
 - sampling procedures, if required;
 - education of customers on types of waste accepted;
 - training of staff to recognize authorized and unauthorized waste;
 - tracking procedures and documents for incoming and outgoing waste;
 - segregation and management of unauthorized waste; and
 - site access controls.
- Facility manual or other additional information, if determined necessary by the Department, to demonstrate compliance with registration requirements, such as methods to ensure dirt is not tracked offsite, methods to control blowing litter, dust control, vector control, and odor control/response.
- Closure cost estimate, which must include the cost to remove all anticipated waste from the site, if required by regulation or determined by the Department. Financial assurance may be required prior to receiving a validated registration (specified in 6 NYCRR Section 360.22).
- Record of Compliance form (if required), including any required supplemental information. Any outstanding violations must be corrected prior to receiving a valid registration.
- Owner's Statement form

ADDITIONAL INSTRUCTIONS BY ITEM NUMBER - Renumber

1. Check applicable box.
2. Identify the name, address, and [DEC region](#) for the proposed facility.
3. Identify the entity or person that owns the facility.
4. Identify the entity or person responsible for the overall management and operation of the facility.
5. Identify the entity or person who owns the site on which the facility will be located, or who will own the site during the facility's operation, if different than the current facility owner.
6. Check applicable box.
7. Describe the facility's days/hours of operation.
8. List all municipalities (i.e., counties, cities, towns, villages) or planning units in the existing and/or proposed service area of the proposed facility.
9. List all wastes and/or materials to be accepted by the facility. Enter the maximum throughput (i.e., incoming quantity) of each material.
 - Use units and an acceptance frequency appropriate to the waste material being handled (e.g., number of tires per year for waste tires managed, tons per day for C&D debris, cubic yards per year for yard trimmings, gallons per year for used oil, etc.).
10. Describe all on-site storage for solid waste(s) handled and list the total capacity that is available.
11. Check all applicable boxes that describe the facility that is the subject of this registration.
 - Note: For each registration type that requires an additional addendum, please complete the addendum and attach to this application. Facility-specific addenda can be found on the Department website: <http://www.dec.ny.gov/chemical/52706.html>
12. Certification must be completed by the registration holder (site owner or site operator).
 Note: Retain a copy of this form and all applicable attachments. Submit form(s) to the appropriate [Regional Materials Management Engineer](#) (see below).

REGIONAL OFFICES

Please send all applications to the attention of the Regional Materials Management Engineer.
