PESTICIDE BUSINESS REGISTRATION APPLICATION

Each business location offering, advertising or providing the services of commercial application of pesticides either entirely or as part of the business must register with the Department of Environmental Conservation. **Government agencies, school districts, colleges, or utility companies should use the Pesticide Agency Registration Application.**

Businesses must register each location with a separate application and pay the registration fee for each place of business. Businesses offering, advertising or providing the services of commercial application of pesticides under more than one business name must register and pay the registration fee for each business name at each place of business. However, businesses may list more than one assumed name (DBA or AKA) on a single registration application.

The registration expiration date is determined by the DEC Region and/or county in which a business is located. Fees will not be prorated for any part of a registration period. The registration period is for three years. To determine your Region, see: https://www.dec.ny.gov/about/contact-us/map-of-dec-offices

The expirations dates are:

Region 1 (Nassau): October 31; Region 1 (Suffolk): December 31; Region 2: February 28; Region 3: April 30; Region 4: June 30; Region 5: June 30; Region 6: June 30; Region 7: July 31; Region 8: August 31; Region 9: September 30; Out of State: June 30

Renewal applications must be mailed at least 30 days before your registration expires to avoid a lapse in registration.

These directions should be followed carefully in completing the pesticide business registration application. Fill in all required information. **Your application will be returned if it is incomplete or not completed correctly.** Please type or print legibly.

Payment Instructions: The registration/renewal fee is \$900.00. Do not submit your payment when you submit your application. After your application is reviewed and accepted you will be sent an invoice. Once you receive your invoice you will be able to pay online with a credit card, debit card, or e-check, or you can pay by mail with a check or money order. After your payment is received your registration will be issued.
