PROGRAM SPECIFIC TERMS AND CONDITIONS**

**Standard Clauses for All New York State
Department of Environmental Conservation Contracts**

The parties to the attached contract, license, lease, grant, amendment, or other agreement of any kind (hereinafter "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract. The word "Contractor" herein refers to any party to the contract, other than the New York State Department of Environmental Conservation (hereinafter "Department").

A) PROGRAM SPECIFIC TERMS AND CONDITIONS

I. Notices:

The Department's authorized representative for the implementation of this Contract and for approval, direction and receipt of all Project reports called for in this Contract is listed below. Whenever it is provided in this Contract that notice must be given or other communications sent to the Department, the notices or communications must be in writing and delivered or sent to the Department's authorized representative at:

Address: New York State Department of Environmental Conservation
 Office of Climate Change
 625 Broadway 10th Floor
 Albany, NY 12233-1030
 518-402-8448

A copy of all legal notices shall be sent to:

 General Counsel
 New York State Department of Environmental Conservation
 625 Broadway - 14th Floor
 Albany, New York 12233-1500

The Contractor's authorized representative for the implementation of this Contract is the person authorized in the Resolution of Support for the contract. Notices or communications regarding this Contract should be in writing and delivered or sent to the Contractor's authorized representative at the address identified on the Face Page, with copies sent to the Contractor's contract administrator as identified in the contract application.

Notices delivered or sent shall be deemed for all purposes as notice to all persons who are Parties to this Contract as Department or Contractor.

II. Project Insurance Considerations

The Contractor agrees to procure and maintain at its own expense and without expense to the Department until final acceptance by the Department of the services covered by this Contract, insurance of the kinds and amounts as determined by the Department and based upon the project work plan. The insurance policies should be provided by insurance companies licensed to do business in the State of New York. Any delay or time lost as a result of the Contractor not having insurance required by the Contract shall not give rise to a delay claim or any other claim against the Department.

Upon execution of this Contract, the Contractor shall furnish to the Department a certificate or certificates, satisfactory to the Department, showing that it has complied with this Article. The insurance documentation shall provide that:

- Liability and protective liability insurance policies shall provide primary and non-contributory coverage to the NYS Department of Environmental Conservation for any claims arising from the Contractor's Work under this contract, or as a result of Contractor's activities.
- The State of New York, NYS Department of Environmental Conservation, its officers, agents and employees, Division of Materials Management, shall be listed as Certificate Holder on all liability insurance certificate(s), as additional insureds on endorsements(s) and on additional supporting documentation.
- The policies shall include a waiver of subrogation endorsement in favor of the Department as an additional insured. The endorsement shall be on ISO Form Number CG 24 04 or a similar form with same modification to the policy.
- Policies shall not be changed or canceled until thirty (30) days prior written notice has been given to the Department; as evidenced by an endorsement or declarations page.
- Insurance documentation shall disclose any deductible, self-insured retention, aggregate limit or any exclusion to the policy that materially changes the coverage required by the Contract.
- Endorsements in writing must be added to and made part of the insurance contract for the purpose of changing the original terms to reflect the revisions and additions as described. A copy of these endorsements must be provided to the Department within a reasonable amount of time.
- Applicable insurance policy number(s) reference on the ACORD form must be referenced in the supporting documentation requested by the Department and supplied by the insurance company (e.g. endorsement page, declarations page, etc.).
- This Contract shall be void and of no effect unless the Contractor procures the required insurance policies and maintains them until completion of the work or acceptance by the Department, whichever event is later.

The kinds and amounts of insurance required are as follows:

- Workers' Compensation coverage must be provided for work to be performed in New York State. The Contractor shall provide and maintain full New York State coverage during the life of this contract for the benefit of such employees as are required to be covered by the New York State Workers' Compensation Law.

Evidence of Workers' Compensation and Employers Liability coverage must be provided on one of the following forms specified by the Chairman of the New York State Workers' Compensation Board:

<u>FORM #</u>	<u>FORM TITLE</u>
C-105.2	Certificate of Workers' Compensation Insurance
U-26.3	State Insurance Fund Version of the C-105.2 form
SI-12/ GSI-105.2	Certificate of Workers' Compensation Self-Insurance
CE-200	Certificate of Attestation of Exemption – (no employees)

- Disability Benefits coverage must be provided for work to be performed in New York State. The Contractor shall provide and maintain coverage during the life of the contract for the benefit of such employees as are required to be covered by the New York State Disability Benefits Law. Any waiver of this requirement must be approved by the Department of Environmental Conservation and will only be granted in unique or unusual circumstances.

Evidence of Disability Benefits coverage must be provided on one of the following forms specified by the Chairman of the New York State Workers' Compensation Board:

<u>FORM #</u>	<u>FORM TITLE</u>
DB-120.1	Certificate of Disability Benefit Insurance
DB-155	Certificate of Disability Benefit Self-Insurance
CE-200	Certificate of Attestation of Exemption – (no employees)

An ACORD form is **NOT** an acceptable proof of Workers' Compensation coverage. **ALL OF THE ABOVE REFERENCED FORMS, EXCEPT CE-200, SI-12 & DB-155 MUST NAME** The State of New York and The New York State Department of Environmental Conservation, Office of Climate Change, 625 Broadway, Albany, NY 12233-1030, as the Entity Requesting Proof of Coverage.

Upon review of the scope of work outlined in the Grant Application by the Department, the following types of liability insurance may be required:

- c) Commercial General Liability Insurance with a limit of not less than \$2,000,000 each occurrence, and \$5,000,000 General aggregate. Such insurance shall cover liability arising from premises operations, independent contractors, products-completed operations, broad form property damage, personal and advertising injury, cross liability assumed in a contract (including tort liability of another assumed in a contract). Limits may be provided through a combination of primary and umbrella/excess liability policies. The CGL aggregate shall be endorsed to apply on a per project basis for construction contracts.
- d) Business Automobile Liability with a limit of not less than \$1,000,000 each accident. Such insurance shall cover liability arising out of any registered motor vehicle including owned, leased, hired and non-owned vehicles. If the Contractor does not own, rent or lease any registered vehicles and will not be using any vehicles on State Land proof of Business Automobile Liability Insurance shall not be required for this Contract. The Contractor shall assume full responsibility and liability that owners and operators of any registered vehicles entering State Land to conduct work under this contract carry the same Business Automobile Liability Insurance of the kinds and amounts listed above. NYS Department of Environmental Conservation reserves the right to request proof of the same.
- e) Environmental Liability with a limit of not less than \$1,000,000 providing primary coverage for bodily injury and property damage, including loss of use of damaged property or of property that has not been physically injured. Such policy shall provide coverage for actual, alleged or threatened emission, discharge, dispersal, seepage, release or escape of pollutants, including any loss, cost or expense incurred as a result of any cleanup of pollutants or in the investigation, settlement or defense of any claim, suit, or proceedings against the Department of Environmental Conservation arising from the Contractor's Work.
- f) Professional Liability Insurance includes coverage for its negligent act, error or omission in rendering or failing to render professional services required by this contract arising out of specifications, installation, modification, abatement, replacement or approval of products, materials or processes containing pollutants, and the failure to advise of or detect the existence or the proportions of pollutants. The Contractor, any subcontractor or supplier retained by the Contractor to work on the contract shall procure and maintain during and for a period of three (3) years after completion of this contract, Professional Liability Insurance in the amount of \$1,000,000. The professional liability insurance may be issued on a claims-made policy form, in which case the Contractor shall purchase at its sole expense, extended Discovery Clause coverage of up to three (3) years after work is completed if coverage is cancelled or not renewed.
- g) Marine Protection & Indemnity: Anytime the activity involves work on navigable water or the work is connected to water related activities, the Contractor shall procure Marine Protection & Indemnity and Hull

and Machinery coverage, if available. Hull and Machinery coverage shall be provided for the total value of the watercraft or equipment. The Contractor shall obtain Protective and Indemnity Liability insurance for all marine operations under the contract, with a minimum \$2,000,000 limit.

Should the Contractor engage a subcontractor, the Contractor shall impose the insurance requirements of this document on the subcontractor. Contractor shall determine the required insurance types and limits, commensurate with the work of the Subcontractor. The Contractor will maintain the certificate or certificates and endorsements for all subcontractors hired as part of the Contractor's records.

III. Clean Vehicle Purchase or Lease

- a) Eligible clean vehicle purchase or lease costs incurred by the Contractor on or after September 30, 2022, and before September 27, 2024, are considered eligible for reimbursement given the vehicle was placed into municipal service at a dealership in New York State. If leased, the term of the lease shall be no less than 36 months.

- a) **Advanced Clean Trucks Reporting Requirement**
Municipalities must be in compliance with the Advanced Clean Trucks (ACT) Regulation One-Time Fleet Reporting Requirement under 6 NYCRR Part 218-4.2 to be eligible for a rebate. For additional information, see <https://dec.ny.gov/environmental-protection/air-quality/controlling-motor-vehicle-pollution/heavy-duty-vehicles>.

IV. Reclaim of Funds

The Department reserves the right to reclaim funds paid to a grantee if false statements regarding eligibility of the project or any of its components are discovered after award or payment has been made.

V. State Assistance Payments

After approval of the Climate Smart Community grant or rebate application, the commissioner may, in the name of the state, enter contracts with municipalities to provide state assistance payments toward the cost of climate smart community projects. Contracts shall include the following provisions:

- An estimate of the costs of the project, as determined by the commissioner.
- An agreement by the commissioner to make state assistance payments toward the cost of the project by periodically reimbursing the municipality during the progress of project development or following completion of the project as may be agreed upon by the parties, in an amount not to exceed the amounts established elsewhere in this title.
- An agreement by the municipality
 - to proceed expeditiously with and complete the project as approved by the commissioner.
 - to undertake and maintain the climate smart community project in accordance with applicable law and rules and regulations.
 - to provide for the payment of the municipality's share of the cost of the project;
 - to assume the full cost of any additional elements or continued operation of the project.
 - to repay, within one year of notification by the commissioner, any state assistance payments made toward the cost of the project, or an equitable portion of such monies declared appropriate by the commissioner, if the municipality fails to complete the project as approved. (No repayment, however, shall be required where the commissioner determines that such failure, disposition, or change of use was immediately necessary to protect public health and safety.); and
 - to apply for and make reasonable efforts to secure federal assistance for the project.

In connection with each contract, the commissioner shall keep adequate records of the amount of the payment by the state, if any, received by the municipality. Such records shall be retained by the commissioner and shall establish the basis for recalculation of the state payment as required herein.

The commissioner shall impose such contractual requirements and conditions upon any municipality that receives state assistance payments pursuant to this title as may be necessary and appropriate to ensure that a public benefit shall accrue from the use of public funds by such municipality. Such conditions shall include limitations on the right of the municipality to demolish or convey such property; provisions for public access or use where appropriate; a requirement that all plans for restoration, rehabilitation, improvement, demolition or other physical change must be subject to the commissioner's approval; and such other conditions that shall assure the preservation and protection of the project.
