

Hey, New Yorkers— You're the key to being idle free!

Department of
Environmental
Conservation

TURNING OFF YOUR ENGINE WHILE PARKED:

- Saves fuel and money,
- Reduces air pollution like greenhouse gases, and
- Benefits everyone's health and the environment!

To learn more about idling and why it's a problem, scan this QR code or visit <https://dec.ny.gov/environmental-protection/air-quality/controlling-motor-vehicle-pollution/youre-the-key-to-being-idle-free>
