

Water Well Abandonment and Decommissioning Report

This form is for use in notifying DEC of a potable water well that is no longer active or serviceable, or has been decommissioned. This includes wells that are still in place but no longer used, or wells that no longer exist. For more information on this topic see DEC's Water Well Contractor Program web page.

Hover your cursor over a box for information on how to fill out any particular field.

1. Facility Information

Facility Name

NYS DEC Water Withdrawal Permit Number, if applicable

Address

Town

County

Facility Contact Name

Telephone
