Food Donation and Food Scraps Recycling Law

Information Needed to Justify Generation is Less Than 1 Ton Per Week

This form is to be used by any entity required to comply with the Food Donation and Food Scraps Recycling law who does NOT generate 1 ton or more of food scraps per week (annual average) and is requesting to be removed from the list of designated food scraps generators under the law. Please complete and submit this form and all required supporting documentation to FoodScrapsLaw@dec.ny.gov.

If you generate 1 ton or more of food scraps per week (annual average) and would like to request a waiver from the requirements of the law due to other reasons (e.g., cost, availability of recyclers or transporters, unique circumstances), please complete the Waiver Petition form.

Please include the additional documentation to show that your business or institution does not generate a minimum of 1 ton of food scraps per week based on one of the following

a. Food scraps are not separated from other wastes at the point of generation
b. Food scraps are separated from other wastes at the point of generation

Food scraps *are not* separated from other wastes at the point of generation:

a. Documentation from the transporter or other verified source that indicates the amount of total waste removed from the generator for the previous year.
    i. Total waste removed from the generator in the previous year (tons):
    ii. Documentation Provided: Email
        If Other, Describe:
b. Documentation that indicates the quantity of food donated for the previous year.
    i. Total quantity of food donated in the previous year (pounds):
    ii. Documentation Provided: Food Donation Receipt
        If Other, Describe:
c. An estimate of the food scraps (including food-soiled paper) in the waste stream to the nearest 10% (waste is 60% food scraps, as an example):
d. Calculations showing the annual average weekly food scraps generation.
e. Provide a description of any seasonal variation expected in the waste stream quantity and food scraps content, if applicable.

f. Other relevant information to justify the amount of food scraps generated.
